

Western Maryland Region Instant Challenge Practice Day

What is it?

Instant Challenge Practice Day is an opportunity for teams to practice many different instant challenges. Teams will travel from room to room with another team. While one team performs an instant challenge, the other team observes. All teams will have opportunities to observe and perform the instant challenges.

When is it?

Saturday, January 16, 2010 - 9:00 a.m. – 12:00 p.m.

Where is it?

Williamsport Elementary School, 1 S. Clifton Dr., Williamsport, MD

Is there a cost?

There's NO cost. However, each team will need to bring a "toolbox" of materials. Each team will also supply materials for 1 instant challenge. These lists will be sent to registered teams later in the month.

How do I register my team for the practice day?

It's simple. Just email me, Dan Henderson, at dfhmusic@myactv.net. Please note: Each team must have 2 adults. One adult will travel with the team. The other adult will facilitate one of the instant challenges.

Your registration isn't official until I have the names of the 2 adults. The adult who serves as a facilitator must arrive @ 8:00 a.m. for training.

The practice day is limited to 20 teams. So, register early! Registration deadline: Friday, December 18, 2009.

Also note: Team managers of participating teams will receive information from me over the holidays via email. So, please be sure I have the email which you'll be checking over the holidays
